

Pedigree for John Templeton’s “##Cap”, ISDS 50543

Medium sized, black & white, rough coated male. D.O.B. October 25, 1967

Foundation stud for Cessnock Farm Registered Border Collies (puppies imported in dam, Meg #47267). Cap, bred by Mr. R.S. Carr, Longmuir, Strathkinness, St. Andrews, Fife (Scotland, UK) went through 2 more owners before J.J. Templeton noticed his talent and bought him. Seems it was a good decision, as they went on to win the Supreme Int'l Championships in 1972.

- Scottish Farmers' Ch.
- Scottish Brace Ch. with Fleet ISDS #37588
